

Hey WEB Leaders!

Welcome to your 2020/2021 school year, we hope you all had a great summer and are ready to get back into it.

Due to the new protocols in place with COVID-19 and the Return to School Ministry Guidelines, we will have to alter our WEB program this year. We are so disappointed to say that we cannot do a Grade 6 orientation on the first day of school.

All Langley Middle Schools have been informed by the district that we cannot do a Grade 6 orientation in which Grade 8 WEB leaders are interacting with Grade 6 students, as it is important that we adhere to our 60 person learning cohorts for the start of the year.

In talking with Mr. Hantke, he has assured us that WEB is still alive and well. Your shirts are ordered, and you will still have a leadership role in our school. Thankfully we are set up as a group on TEAMS and the vision is for all of us to meet on TEAMS mid-September to plan some spirit days and events for the school. Mr. Hantke is hopeful that by mid-October we can start to find creative ways to mentor our Grade 6 students.

Again, there will be **no summer training next week, and no orientation on the first day of school**. In TEAMS, **we will post an update in the WEB 2020/2021 group by Friday, September 18th**. In the update we will give you information about a virtual meeting to occur on TEAMS before the end of September.

It's unfortunate that we cannot start WEB in person as we had hoped, but health and safety need to be our first priority this year. We hope you all understand and we look forward to meeting on TEAMS later in September.

If you have any questions or concerns, please reach out to Ms. Cooper or Mrs. Chapman on TEAMS or through email,
